Sway Bowmen

Waterside Archers

In order to calculate the team scores, archers were paired with those whose handicaps closely matched. There was a total of 7 archers from each club who were matched together this way. The archer with the highest handicap score from each pair scored one point for their club. The results were:

Sway: 2 points

Waterside: 5 points (Winners by 3 points)

Well Done Waterside and well done to all those who shot personal bests.

Many thanks to our Judge and Lord Paramount, Ray Defty.
